“Family Camp”

Summer 2020

A message from our director...

We had an amazing summer playing, learning, and drawing closer to God through family camp! How do I know this? As I reflect on the many wonderful memories, some of my favorites are: watching families being together for activities such as boating, swimming or hiking and working together in team building games that centered around a biblical focus. My prayer is that this not only happens at camp, but all year long.

It was awesome to hear of the testimonies of how each family heard about family camp (some through Facebook or their church or the local paper—to name a few) and how they came to enjoy their time here this summer.

What does this mean for us after camp? We may continue to face challenges and difficulty this year but **we can put our hope and trust in God and His word. Love God’s word and make it your habit to read it everyday, just as you did at camp with your family.**

Let His word continue to light your path “Your word is a lamp for my feet and a light on my path”
Psalm 119:105 throughout the year.

Have a great year and see you next summer!

Willow

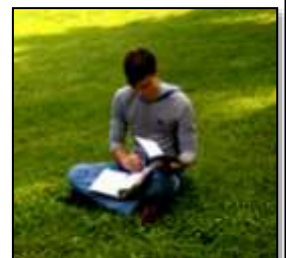

Our 2020 summer staff are praying for you all year long! Let the summer memories keep your heart warm through the winter!

Pteri says: At the end of this summer I can't help but to think how incredibly blessed I am to have a place where I can build lasting relationships, be crazy, have fun, talk about Jesus, and watch families, and myself grow in faith. Trusting in God doesn't have to just happen at camp, we can do it at home too! I can't wait to see what God has in store for this year, and I'm excited to see you all next summer.
